

## WTE staffing by NHS organisations to support clinical audit

### Notes:

34 NHS organisations completed the online CASC / AMaT census in 2023. This chart represents the whole team equivalent staffing to support clinical audit per organisation. All organisations have been anonymised. The data shows that the responses range from 13 WTEs (I & Y) to 1 WTE (F & O). The median is **5**. The mean (average) is **5.48**.
