

# SSNAP

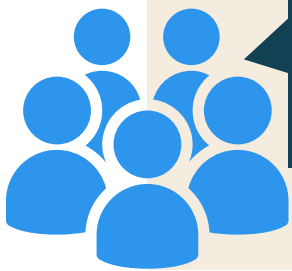

## Sentinel Stroke National Audit Programme

### Survey comments

'SSNAP is the national audit that our clinicians take seriously' (2015)

'SSNAP - a project that has a useful data set that can be collected as part of usual clinical work' (2014)

'Multi-disciplinary with clear standards and has moved stroke care forwards' (2010)

Since the survey began in 2010, the Stroke Audit has consistently received positive feedback.

## Voted most effective national audit

### HALL OF FAME

2010: National Sentinel Stroke Audit  
2011: National Sentinel Stroke Audit  
2012: National Sentinel Stroke Audit  
2013: National Sentinel Stroke Audit  
2014: Sentinel Stroke National Audit Programme  
2015: Sentinel Stroke National Audit Programme  
2016: Sentinel Stroke National Audit Programme  
2017: Sentinel Stroke National Audit Programme

Since the survey began in 2010 the Stroke Audit has always been voted the 'most effective NCA'. Indeed, with the exception of 2013, the Stroke Audit has always polled more votes in each year than the 2nd and 3rd placed NCAs combined.
