

CASC jobs report 2018

A brief summary of the main findings from our 9th annual clinical audit jobs survey...

JOBS BY BANDING

The following graphic provides details of the clinical audit job vacancies advertised by banding from July 2017 to June 2018 (% bubble not to scale).

IN MORE DETAIL

JOB TITLE

From July 2017 to the end of June 2018 there were a total of 206 clinical audit jobs advertised via NHS Jobs website. The most popular by job title are listed on the right...

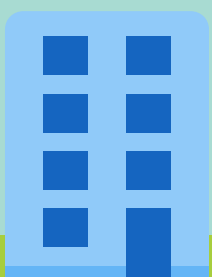

- 1 Clinical Audit Facilitator
- 2 Clinical Audit Officer
- 3 Clinical Effectiveness and Audit Facilitator

TOTAL JOBS

The total number of vacancies in 2017-18 was 206 (208 in 2017-18). These numbers compare favourably with the average number of vacancies from 2010 to 2014: 118.

JOB TYPE AND SALARY

93% of the 206 jobs advertised in 2017-18 were classified as 'Administrative and Clerical'. If we base the numeric on the top of each pay banding (e.g. £28,746 for Band 5) the average salary was £29,979. For the 11 'Nursing and Midwifery Registered' vacancies, the average was £37,977.
