# CASC's TRAINING HISTORY

CASC established. Our first course was clinical audit distance-learning accredited by the Open College Network (East Midlands Region).

**2007** - Advanced Clinical Audit course run for first time.

**2008** - Train the Trainer in Clinical Audit course run for the first time. The Root Cause Analysis Masterclass was also launched in the same year.

**2011**

*BEST PRACTICE  
GUIDE PUBLISHED*

The Healthcare Quality Improvement Partnership commission version one of our Clinical Audit Teaching Toolkit (version 2 followed in 2014 along with a series of training session across England).

**2011** - CASC deliver training in Ethiopia!

**2012** - Open College Network (West Midlands Region) become our new accrediting body ensuring more rapid processing of successful learner certificates.

**2014**

*LISTENING TO OUR  
LEARNERS*

We conduct a comprehensive survey of all learners that have gained accreditation. Feedback is very positive but we use ideas and suggestions to help further enhance our courses.

**2014** - 300th learner gains accreditation for Advanced Clinical Audit.

**2015** - New Quality Improvement course launched.

**2016** - Article in Nursing Times on our accredited training.
